HG Mobile:

Won't give you a product that requires second-hand data entry! Won't give you a product that doesn't increase your office productivity!

Won't give you what you don't want!

Frequently Asked Questions

I have very poor cell coverage, can HG Mobile work offline?

HG Mobile is designed to work both online and offline and is in use in many rural areas by our clients. You will have an increase in productivity in either mode.

Will I still need paper in the field?

All your field appraiser needs with HG Mobile as their field device! With HG Mobile they will be able to navigate to the properties, take photos, make sketch changes, enter property data, view GIS information and more right from their iPad!
