HARRIS GOVERN

Your One-Stop Shop IT Services Partner

About Us

Need extra IT support — or a full IT team? Harris Govern is your one-stop shop for reliable IT services, including Disaster Recovery, Backups, Server Hosting, and more. Trusted since 1975, we handle the tech so you can focus on your office and the community.

Server Support

Remote server assistance, warranty coordination with Dell, and no labor charge on your next server install!

End User IT Support

Remote and phone support for all business hardware and software, with unlimited troubleshooting and manufacturer warranty coordination.

Off-Site Backup Services

Securely stores your critical server data in a remote data center, protecting against hardware failure, cyberattacks, and disasters. Includes 90 days of backups for fast, reliable recovery.

Disaster Recovery Services

Restores off-site backups to a secure datacenter with a temporary PACS environment to keep you running. Includes 10 days of server images for seamless business continuity.

Server Monitoring

Proactive monitoring of server hardware, software, and events with real-time alerts to ensure fast issue resolution and minimize downtime.
